

Friday 10th March 2023

LO: What goes in and on the body.

Name one thing that goes in our body that is **good** for us.

Name one thing that could go in our body that is **bad** for us.

Cut and stick 3 things that go in our bodies that are helpful.

Cut and stick 3 things that can go in our bodies that are harmful.

Write a rule to follow if you find something you are unsure about.

e.g. Do not pick it up.
