

PERSEVERANCE

HOME SCHOOL VALUES

This half term, we have been learning about the Christian value of Perseverance. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Perseverance

Teachers often say that **perseverance** is something that many children find difficult.

Very little that is really worthwhile in life can be achieved without **perseverance**. An athlete may train for years before they are ready to compete at the highest level. A musician must practice every day, sometimes for hours at a time, if they are to really master their instrument.

- How would each family member rate themselves on a scale of 1 - 10 at **perseverance**?
- Can you give an example of something you have achieved by determined **perseverance**?
- Is there a skill that you think you could improve with **perseverance**?

The Widow Who Never Gave Up

There was once a judge living in a town just like this one, said Jesus to the crowd of people who were listening to him and hanging on his every word.

This judge did not care much about God or justice. The crowd muttered to one another and smiled knowingly, they all knew judges like him! A poor widow, called Sarah, lived in the same town. She was being treated badly by her neighbour who was making her life very difficult indeed.

Sarah went to the judge to ask him to hear her case and give her justice.

At first the judge tried to ignore her. Silly old woman he thought. Why won't she leave me alone. Doesn't she realise that I have more important things to deal with?

But Sarah **persevered**. You are my only hope she told the judge. You must help me. Day after day she went to see him.

In the end, the judge was so exasperated that he thought to himself I will never get a minutes peace unless I help this old woman.

Finally he let her explain to him the problems that she was facing and agreed that Sarah's neighbour was indeed behaving very badly and must be made to stop at once. Sarah's **perseverance** paid off and eventually she got the justice she deserved.

So keep **persevering** and keep praying said Jesus to the crowd.

FASCINATING FACTS

Perseverance in the Natural World

Many birds show remarkable **perseverance** as they build their nests, piece by piece often in cold, wet and windy weather and at risk from predators.

The long-tailed tit is just one example. Weighing just 9g, this little bird takes 3 weeks or more to build a nest. The oval shaped nest is made from moss, cobwebs and hair, covered on the outside with lichen and lined with up to 2000 tiny feathers!

HOME-SCHOOL CHALLENGE

Reverend Phil recently set us the challenge of learning The Lord's Prayer by heart. Overleaf is a copy of the modern version that we use in school. Can you learn the prayer before we reach the end of the Spring Term? It will take perseverance to learn it.

Our Father in heaven,
hallowed be your name.
Your Kingdom come,
your will be done,
on earth as in heaven
Give us today our daily bread.
Forgive us our sins,
as we forgive those who sin against us.
Lead us not into temptation,
but deliver us from evil.
For the kingdom,
the power and the glory are yours.
Now and for ever.

Amen
